Re: Petition of Arthur Preston seeking a threat assessment from OHSU

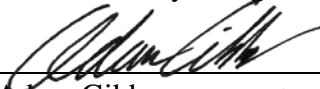

Dear Mr. Preston:

You petitioned this office seeking an order under the public records law compelling the Oregon Health and Science University (OHSU) to provide you with a threat assessment they conducted on you. OHSU had denied your public records request for this material.

Subsequent to your petition, OHSU revised its position and provided you with the responsive record. Given that there is no longer a denial of a public records request for me to adjudicate, I am denying your petition as moot.

Regards,

MIKE SCHMIDT  
District Attorney  
Multnomah County, Oregon
