**Indictment filed in State of Oregon v. Angel Granados-Diaz**

Today, Multnomah County District Attorney Rod Underhill announced that a grand jury, on May 24, 2019, returned a four-count indictment against 19-year-old Angel Granados-Diaz.

The indictment charges Granados-Diaz, a Parkrose High School student, with two counts of being in possession of a loaded firearm in a public building, one count of being in possession of a loaded firearm in public and one count of recklessly endangering.

In court documents, it is alleged that Granados-Diaz, did unlawfully and intentionally possess a loaded firearm while inside Parkrose High School, a public building. It is further alleged that Granados-Diaz knowingly, and with reckless disregard for the safety of others, attempted to discharge the firearm inside the school.

Additionally, it is alleged that Granados-Diaz did unlawfully and recklessly create a substantial risk of serious physical injury to another person.

On May 17, 2019, members of the Portland Police Bureau along with other local, state and federal law enforcement agencies responded to Parkrose High School after receiving information about a person on campus with a firearm, according to information previously released by the Portland Police Bureau. Law enforcement arrived and located an individual, later identified as Granados-Diaz.

Granados-Diaz was taken into custody without incident.

The Portland Police Bureau previously released a photo of the loaded shotgun that was allegedly in Granados-Diaz' possession while on campus.

There is no probable cause affidavit filed in this case.

Granados-Diaz will be arraigned on Tuesday, May 28, 2019 at the Multnomah County Justice Center in Portland, Oregon.

His bail remains at \$500,000, which was previously enhanced pursuant to a judicial order.

The Multnomah County District Attorney's Office recognizes the public interest in this case. However, to preserve Granados-Diaz' right to a fair trial, and because this remains an ongoing criminal investigation, it would be improper for the District Attorney's Office to make any further statements regarding this case at this time.

An indictment is only an accusation of a crime and Granados-Diaz is presumed innocent unless and until proven guilty.
